TEXT FROM VATICAN 11

Deep within their consciences men and women discover a law which they have not laid upon themselves and which they must obey. It's a voice ever calling them to love and to do what is good and to avoid evil, tells them at the right moment do this shun that, for they have in their hearts a law inspired by God.

Conscience is the most secret core and sanctuary of the human person. There they are alone with God whose voice echoes in their depths. By conscience in a most wonderful way the law is made known which is fulfilled in the love of God and of one's neighbour. Through loyalty to conscience Christians are joined to others in the search for truth and for the right solution to so many moral problems which arise both in the life of individuals and from social relationships
