SUNDAY, 19TH JUNE, 2016 TWELFTH SUNDAY IN ORDINARY TIME Volume 30. No. 40.

One day when Jesus was praying alone in the presence of his disciples he put this question to them. 'Who do the crowds say I am?' And they answered, 'John the Baptist; others Elijah; and others say one of the ancient prophets come back to life.' But you,' he said, 'who do you say I am?' It was Peter who spoke up. 'The Christ of God,' he said .
Luke

.....It is the Lord who speaks:
'Over the House of David and the Citizens of Jerusalem I will pour out a spirit of kindness and prayer

Prophet Zechariah

.....You are, all of you, sons of God through faith in Christ Jesus. All baptised in Christ, you have all clothed yourself in Christ.
St. Paul to the Galatians

Lord may you support us all day long, till the shadows lengthen and evening falls, and the busy world is hushed and the fever of life is over, and our work is done; then in your mercy, Lord, grant us a safe lodging, a holy rest and peace at last. We ask this through Christ our Lord.

O God, you are my God, for you I long; for you my soul is thirsting. My body pines for you like a dry, weary land without water. So I gaze on you in the sanctuary to see your strength and your glory. For your love is better than life, my lips will speak your praise. So I will bless you all my life, in your name I will lift up my hands. My soul shall be filled as with a banquet, my mouth shall praise you with joy.

THE DEEP END - WHAT KIND OF MESSIAH ?

To declare Jesus the Messiah was not only a challenge to the religious authorities of the time but it was also a political statement. As Messiah, Jesus is the Anointed One, The King of Israel and immediately becomes a threat to Herod and the Roman Empire. It is no wonder Jesus ordered the disciples to keep quiet for fear of early opposition from the authorities. A deeper reflection may conclude that Jesus did not want the wrong sort of success. He gives the disciples a new title in today's Gospel: "Son of Man" and a new definition of Messiahship. Jesus does not want to be a leader of a violent revolt against the establishment. He has rejected that sort of power earlier in the Gospel. Jesus leads a different way, the least are the greatest and the poor own the Kingdom. The message of His way is of a great reversal and this forces his followers to re-examine what 'Messiah' (and disciple) actually mean. There can be no violence, no hunger for power, yet it is also not a passive way. Jesus still opposes suffering and evil. His leadership is one of solidarity with those who suffer and who are oppressed and that way it is not an easy journey.
